BHJ Coating blev grundlagt i 2005 af Bo Houtved Jensen. Efter mange års erfaring som maler på Nordsøen og på land, kom lysten til at opstarte sin egen virksomhed. Med ønske om at give en fleksibel service og udføre kvalitetsfyldt arbejde servicerer BHJ Coating i dag over hele Danmark for både mindre og større virksomheder.

Med mange års erfaring inden for malerarbejde kan vi udføre bl.a.:

- Skibsmaling
- Industrimaling

Dette gælder både på land og i vand på boreplatforme eller skibe. Dette betyder, at BHJ Coating er vant til at arbejde i forskellige omgivelser, hvilket giver os det knowhow der kræves for at kunne udføre din maleropgave med høj kvalitet og inden for de gældende sikkerhedsforanstaltninger. Vi er din lokale maler i Frederikshavn, Hirtshals og omegn.

BHJ Coating was founded in 2005 by Bo Houtved Jensen. After many years as a painter on the North Sea and on land, came the urge to start his own company. With the desire to provide flexible service and perform quality work, today BHJ Coating services throughout Denmark for both smaller and larger companies.

With many years of experience in the field of painting, we can carry out:

- Marine paint jobs
- industry paint jobs

This applies to work on land and on water, on oil rigs, and ships. This means that BHJ Coating is experienced in working in different environments, which gives us the know-how required to perform your paint job with high quality and within the applicable safety measures. We are your local painter in Frederikshavn, Hirtshals and the surrounding areas.
